Sir,

Subject - Rural Welfare - Intensive work in selected Firkas and centres - Mulki and Kumbla firka - Sanction of additional allotment under discretionary grants - Requested

---

I submit that the following works which were taken up by us in the hope of getting larger allotment under discretionary grants have progressed to a certain stage as are noted against each item of work But as under the budget allotment, this year, the allotments are very low, the works which have been taken up by the poorest section of villagers with great enthusiasm are likely to be held up and public opinion about the departmental activities will subside So I request that an additional allotment of Rs 1500/- for Mulki and Rs 500/- for Kumbla firka may kindly be granted at an early date.

The details of works are as follows :-

1. Construction of a Harijan Colony in Kavidamoth village — Taken up as per instruction } Note of Dy. Director of Rural Welfare. Approximated Expenditure will be Rs 3000/- work in progress. Grants promised Rs 500/-

Dated 29. 8. 1952

Respected Sir,

Through the kind courtesy of Grama Sevak Kinnigoly we have been lucky to get 16 assignments to 16 families recently. But we are too poor to erect huts for habitation and ~~unless the Rural Welfare department~~ comes to our aid we will not be able to get the benefit of assignments allotted to us.

We therefore pray that you may kindly help us by giving us a grant of Rs 500/- for the purchase bamboos etc for the construction work. The earth work of the [illegible] and enclosure walls we will ourselves do.

For the purpose of drinking water we have already dug a well to a depth of about 25 ft. but now we get rock which requires blasting. The site may be inspected by you kindly so that we may be given help to blast the rock etc

the earth is reached and water obtained.
As there is no water available nearby for the ~~need for~~ ~~of~~ in a distance of a furlong, the need for this well is very great

I beg to ~~to~~ submit the representations enumerated above and give us the necessary help for which each of kindness we shall ever remain grateful.

Yours faithfully
